

GENUINE PARTS, ORDERED THROUGH LATUX

Parts and Service

Keep your machine running. Latux stocks and sources genuine replacement parts for every grinder and dust collector we sell. Find your part on the exploded diagram, then place the order with us and we handle the rest.

HOW TO ORDER A PART

1. Note your **machine model** (on the machine plate and this listing).
2. Find the **part number** on the exploded parts diagram in this machine's manual or Parts Breakdown, both attached to the listing.
3. Tell us the **quantity**, and we confirm price, stock, and lead time.
